Yesterday our class went to the zoo. It was a sunny day and the weather was nice. We got there early and found the zoo closed. We waited there for about twenty minutes. Then a nice fat man opened the door. We bought twenty two tickets and went in. There were many different animals there like funny monkeys, wild tigers and colorful birds.

We ate our lunch there and it was about five in the afternoon that we left the zoo. After arriving home, I rested for a short time and then I had dinner with my family. I was tired so I went to bed early. It was really a happy day.
