He saw that they were very poor people. There was no food in the house, and the rooms were very cold. The doctor looked at the sick man. Then she said to the woman, "Come to my house this afternoon, and I will give you something. It will help your husband." In the afternoon, the woman went to the doctor's house. He gave her a box and said, "Take this to your husband. It will make him better." When the woman reached home, she opened the box. It was full of money.
