3	<p>متن زیرا بخوانید و جای خالی جملات را با گزینه های داده شده کامل کنید.</p> <p>Many people who work in big cities like to live near villages and towns. They think that they require ...49... and quiet. They go to work ...50... bus or train. They have to get up ...51... every morning and ...52... home later in the evening. These people can't breathe the clean ...53... while they have to spend most of their time in the ...53... traffic.</p> <p>49. a. fight                      b. noise                      c. trouble                      d. peace  50. a. with                      b. in                      c. by                      d. at  51. a. earlier                      b. easier                      c. happier                      d. slower  52. a. go away                      b. come back                      c. move about                      d. keep on  53. a. weather                      b. air                      c. wind                      d. atmosphere  54. a. strong                      b. regular                      c. heavy                      d. average</p>		12
4	<p>متن زیرا بخوانید و به سوالات پاسخ دهید.</p> <p>A lot of students say that they study hard the night before the exam, but they cannot get good marks. Pay attention to these points. Try to study your books during the term. Never pile up everything for one night. Don't study in front of the TV or in a place where people are talking. Go to a quiet place to study. Have a break from time to time. When you feel tired stop studying, do something else for a short time. Find out the best hours for learning better. Some people learn better in the early morning while others learn better in the evening. Underline the important parts in the book and take notes. You can study your notes or the underline parts before the exam. Have a good sleep the night before your exam. Never stay up until the morning.</p> <p style="text-align: center;"><b>pile up:</b> انباشته شدن</p> <p>55. The best time to study is .....</p> <p>a. early in the morning                      b. all the night before the exam  c. late in the morning                      d. different from one person to another</p> <p>56. When you feel tired, .....</p> <p>a. keep on studying                      b. have a break  c. study your notes                      d. study in front of the TV</p> <p>57. The night before the exam, .....</p> <p>a. study the whole book                      b. stay awake the whole night  c. have a good sleep                      d. write your notes again</p> <p>58. This passage is about a common problem. What is it?</p>		13
