I learned to cook when I was at school. We had lessons three times a week. Sometimes we made a mistake and burnt the food, but usually we cooked it nicely and then ate it. I passed a cooking examination last year.

But I learned more about cooking at home , from my mother than at school , from my teacher , because I often helped my mother in the kitchen , and sometimes I cooked alone .

I can make chocolate cake. I can make jam, too. In summer and autumn, when fruit is cheap, we buy a lot of it. I boil it with sugar. Then I put it in pots and put the pots in a cold place. In winter and spring when there is not much fruit and it is expensive, our jam is very useful.
