4

In a village far from here a farmer once became ill and everyone thought he would die. It was winter and there was a lot of snow on the ground. The doctor who lived hundred miles away, couldn't visit the sick man. There was an old woman in that village who could not read and write but she believed she could cure him. After visiting the man she gave him the seeds of different mountain plants and wanted him to boil and eat them. The man did so. The next day he felt better. After three days he was able to get up and walk around.

38. Why couldn't the doctor come to visit the sick man?

.....

39. What did the old woman give to the sick man?

.....
