Postcards always spoil my holidays. Last summer, I went to Italy. I visited museums and sat in public gardens. A friendly waiter taught me a few words of Italian. Then he lent me a book. I read a few lines, but I did not understand a word. Every day I thought about postcards. My holidays passed quickly, but I did not send any cards to my friends. On the last day I made a big decision. I got up early and bought thirty seven cards. I spent the whole day in my room, but I did n't write a single card.

46. Where did the writer go last year?

47. How many cards did he send?

48. He understood the book he had borrowed from a waiter. ( true- false )

49. Of 37 cards he bought, he wrote all except one of them. ( true- false )
