Read the text and answer the questions. (3.5 points)

Endangered means to be under threat or near extinction. When a species/animal is endangered it means that they are disappearing fast or have a very small population -not large enough to survive. There are some endangered animals in Africa. We can find only a few of them. Some examples are zebras, pandas, and elephants. Humans must not destroy the natural homes of the animals in the forests. They must not hunt animals and hurt the nature. If we take care of them, there is hope for them to live longer.

1. Humans must destroy the natural homes of the animals. a. True b. False
2. Some endangered animals are zebras dogs, cats, and elephants. a. True b. False
3. There are some endangered animals in America. A. True b. False
3. Humans destroy the natural homes of the animals.
a. can b. can not c. must d. must not
4. If we take care of them, there is hope for them to.....
a. die out b. live shorter
